Dear Minister,

The Alliance for Welsh Designated Landscapes congratulates you warmly on your appointment as Minister for the Environment. We look forward to working with you to ensure the future of Wales' outstanding landscapes for the benefit of all those who live in, and visit, these special areas.

The Alliance\* brings together key third sector organisations in Wales with an active interest in designated landscapes. We are committed to working with the Welsh Government to help it deliver a safe future for our designated landscapes and their special qualities, and to promote the sustainable management of their natural resources.

We have responded to the recent consultation *Taking Forward Wales' Sustainable Management of Natural Resources*. I note that you are reviewing the role of the Future Landscapes Wales group and would very much appreciate the opportunity to discuss this and other relevant issues with you at a future date.

With best wishes for Christmas and the New Year.

Yours sincerely,

Terry Marsden
